## Landmark Caregiver Awards Program Contest Rules:

1. Prior to submitting a nomination – Landmark patient must give verbal consent to have their story shared on Landmark's website and social media, should their caregiver win.
2. All nominations must be submitted online or postmarked by November 30, 2019. Caregivers eligible to win the Landmark Caregiver Award must be caregivers (full-time or part-time is acceptable) to a patient currently being treated (actively engaged) with Landmark services. Caregiver cannot be a current or former Landmark employee.
3. Patients whose caregivers are chosen, and caregivers themselves must provide written consent in order to win. (Consents to be obtained after selections are made.)
