Your license to the Landmark App Product that you obtain through the App Store Services is subject to your prior acceptance of this Licensed Application End User License Agreement (“Standard EULA”), and you agree that the terms of this Standard EULA will apply to the Landmark App Product that you license through the App Store Service. Your license to any Landmark App Product under this Standard EULA or separate end user license agreement is granted by the Application Provider, and your license to any Third-Party Product under this Standard EULA or separate end user license agreement is granted by the Application Provider of that Third-Party Product. The Landmark App Product that is subject to the license granted under this Standard EULA is also referred to herein as the “Licensed Application”. The Application Provider reserves all rights in and to the Licensed Application not expressly granted to you under this Standard EULA.

a. Scope of License.

This license granted to you for the Licensed Application by Licensor is limited to a nontransferable license to use the Licensed Application on any device (“Device(s)”) that you own or control. This license does not allow you to use the Licensed Application on any Device that you do not own or control, and you may not distribute or make the Licensed Application available over a network where it could be used by multiple devices at the same time. You may not rent, lease, lend, sell, transfer redistribute, or sublicense the Licensed Application and, if you sell your Device, you must remove the Licensed Application from the Device before doing so. You may not, decompile, reverse-engineer, disassemble, attempt to derive the source code of, modify, or create derivative works of the Licensed Application, any updates, or any part thereof (except as and only to the extent that any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open-sourced components included with the Licensed Application). Any attempt to do so is a violation of the rights of the Licensor and its licensors. If you breach this restriction, you may be subject to prosecution and damages.

The terms of this license will govern any upgrades provided by Licensor that replace and/or supplement the original Licensed Application, unless such upgrade is accompanied by a separate license in which case the terms of that license will govern.

In addition to the above, this license extends only to those individuals who have signed an agreement with Licensor to engage Licensor in Licensor’s application of healthcare services. Any individuals who have not signed such an agreement are expressly prohibited from using the Application Product.

b. Consent to Use of Data.

You agree that Licensor may collect and use technical data and related information—including but not limited to technical information about your device, system and application software, and peripherals—that is gathered periodically to facilitate the provision of software updates, product support, and other services to you (if any) related to the Licensed Application. Licensor may use this information, as long as it is in a form that does not personally identify you, to improve its products or to provide services or technologies to you. Furthermore, you agree to the terms and conditions of Licensor’s privacy policy as set forth in <https://www.landmarkhealth.org/website-privacy-policy/>.

c. Termination.

The license is effective until terminated by you or Licensor. Your rights under this license will terminate automatically without notice from the Licensor if you fail to comply with any term(s) of this license. Upon termination of the license, you shall cease all use of the Licensed Application and destroy all copies, full or partial, of the Licensed Application.

You agree that the External Services contain proprietary content, information and material that is owned by Licensor and/or its agents or licensors, and is protected by applicable intellectual property and other laws, including but not limited to copyright, and that you will not use such proprietary content, information or materials in any way whatsoever except for permitted use of the External Services or in any manner that is inconsistent with the terms of this Standard EULA or that infringes any intellectual property rights of a third party. In addition, External Services and Third-Party Materials that may be accessed from, displayed on or linked to from the Devices are not available in all languages or in all countries or regions. Licensor makes no representation that such External Services and Materials are appropriate or available for use in any particular location.
